The image shows a screenshot of the TryHackMe website's 'Pre Security' learning path overview. A red rectangular box highlights the close button (an 'X' icon) in the top right corner of the modal window. The modal window is titled 'LEARNING PATH OVERVIEW Pre Security' and contains the following content:

- Introduction**

This learning path will teach you the pre-requisite technical knowledge to get started in cyber security. To attack or defend any technology, you have to first learn how this technology works.

The Pre-Security learning path is a beginner friendly and fun way to learn the basics. Your cyber security learning journey starts here!
- SECTION 1 Introduction to Cyber Security**
 - Offensive Security Intro
 - Defensive Security Intro
 - Careers in Cyber
- SECTION 2 Network Fundamentals**
 - What is Networking?
 - Intro to LAN

At the bottom right of the modal, there is a green button labeled 'Start learning'.

In the background, the TryHackMe dashboard is visible, showing the 'Pre Security > Introduction to Cyber Security' path. The 'Offensive Security' section is highlighted with a red 'X' icon. The 'Task 1' section is titled 'What is Offensive Security?'. The 'Begin Your Learning' section is titled 'Beginning Your Learning' and contains the text: 'In this TryHackMe room, you will be guided through hacking your first website in a legal and safe environment. The goal is to show you how an ethical hacker operates.'

右上のアイコンからView Profile

The screenshot shows the TryHackMe website interface. At the top, there's a navigation bar with icons for Dashboard, Learn, Compete, and Other. A search bar and a 'Go Premium' button are also visible. The main content area features the 'Offensive Security Intro' room, described as 'Hack your first website (legally in a safe environment) and experience an ethical hacker's job.' It has a difficulty level of 'Easy' and a duration of '15 min'. Below this, there are buttons for 'Help', 'Save Room', a thumbs up icon with '61108' votes, and an 'Options' dropdown. A 'Room progress (0%)' indicator is at the bottom of the room header. On the right, a user profile icon is highlighted with a red box, and a dropdown menu is open, showing options: 'View Profile', 'Manage Account', 'Dark Mode', 'Badges', 'My Rooms', 'Access', 'Give Feedback', and 'Log Out'. Below the room header, a task bar shows 'Task 1 What is Offensive Security?'. The main content area below the task bar shows a computer monitor with a red screen and white lightning bolts.

The screenshot shows the TryHackMe dashboard. At the top left, it says "Hey [username]!" and "Let's jump in!". On the right, a red-bordered notification banner contains a message: "Please verify your email address. Click [here](#) to receive an email with your verification link." Below this, the "My Learning" section is visible, showing a progress bar for "Pre Security" at 0%. Three learning paths are listed: "Offensive Security Intro", "Defensive Security Intro", and "Careers in Cyber". At the bottom right, a "Welcome to TryHackMe!" section shows a progress indicator of 1/4 and a list of tasks: "Enroll in a path", "Answer a question", "Complete a room", and "Get a 2-day streak". Below that, it says "0 Questions Answered this week."

The screenshot displays the TryHackMe dashboard for a user. The top navigation bar includes the TryHackMe logo, links to Dashboard, Learn, Compete, and Other, a search icon, a notification bell with one alert, a 'Go Premium' button, and a user profile icon. The main content area is divided into two sections. On the left, under 'My Learning', there is a progress bar for 'Pre Security' at 0%. Below this, three learning paths are listed: 'Offensive Security Intro' (with a terminal icon), 'Defensive Security Intro' (with a shield icon), and 'Careers in Cyber' (with a briefcase icon). Each path has a brief description. At the bottom of this section are buttons for 'View path' and 'Resume learning'. On the right, a 'Welcome to TryHackMe!' panel shows a progress indicator for 1/4 steps. The steps listed are: 'Enroll in a path' (completed with a green checkmark), 'Answer a question', 'Complete a room', and 'Get a 2-day streak'. Below this, a '0 Questions' section indicates the user has answered zero questions this week.

The screenshot displays the TryHackMe website interface. The top navigation bar is dark blue and contains the TryHackMe logo, navigation links (Dashboard, Learn, Compete, Other), a search icon, a notification bell, and a green 'Go Premium' button highlighted with a red rectangle. Below the navigation bar, the main content area is white. On the left, a greeting 'Hey [username]!' is followed by 'Let's jump in!'. The 'My Learning' section shows a progress bar for 'Pre Security' at 0% and lists two introductory paths: 'Offensive Security Intro' and 'Defensive Security Intro'. On the right, a dark blue sidebar titled 'Welcome to TryHackMe!' contains a progress indicator '1/4' and a list of four steps to kickstart cyber learning: 'Enroll in a path', 'Answer a question', 'Complete a room', and 'Get a 2-day streak'.
